won't notice anything's wrong for
at least 3 hours. By that time
we'll be in the middle of the
Atlantic and they'll be helples.
Atlantic and they'll be helpless.

How long to the drop-off point?

KEVIN

About two hours.
About one hour, if the wind stays
the same.

JASON

I'll go entertain the others so
that they don't get suspicious.

A red line marks their progress southwest until it reaches Cuba.

Blake: Is Cuba acceptable? Maybe we should use some
other location.

Antigua.
